

Dear Client,

Thank you for your inquiry regarding Carefor Health and Community Service's frozen meals program. We are pleased to send you more information about this service.

We offer meals prepared by Griffith Farm & Market, a local producer who use their own pasture-raised beef and free-run chickens in the meals they make. Please review the menu on the reverse of this page for a description of available options.

We request a minimum of four business days from the time you order for *contactless* delivery to be arranged. A delivery driver will call you at the number you provide when ordering to confirm time of delivery on the arranged date. There is a flat rate delivery fee of \$5.00 within the city of Pembroke and \$10.00 beyond city limits. Service is available via delivery only.

Carefor will send you a monthly bill for your order(s). Once your bill is received, payment may be made over the phone using a credit card, via e-transfer to: e-paymentRC@carefor.ca or by sending a cheque in the mail.

Please be advised that meals cannot be returned or refunded once they are in your possession. We are also obligated to advise you that Carefor does not accept any responsibility for clients ordering outside of their dietary restrictions and to please consult a dietician before making special dietary choices.

You can reach us at **613-732-9993 ext. 3210** with any questions, or to make your first order. You are also able to place orders online through our website: <https://carefor.ca/services/frozen-meals-program>

Thank you so much for your interest, we look forward to hearing from you.

Sincerely,

Alice Grenon
